

# Reopening California's Schools

*A Discussion Forum on Important Me&O Considerations*

# Agenda

---

- Introduction
- Purpose and Goals
- Creating a Roadmap to Reopening Schools
- Outcomes

**Tatia Davenport**  
CASBO Chief Operations  
Officer & Deputy Executive  
Director

**Sara Bachez**  
CASBO Chief Governmental  
Relations Officer

# Purpose & Goals

- Explore and assess implications associated with each model/option for reopening
  - Safety (students & employees)
  - Budget impact
  - Engaging in collective bargaining
  - Continued technology support
  - Address changes in staffing and their responsibilities
  - Configuration of child nutrition programs
  - Redesign of transportation systems
  - Facilities / M&O
  - Special education services/support

# Purpose & Goals (cont'd)

- Develop key principles to guide best practices recognizing California's diverse education systems
  - Policy & Funding
  - Continuity of Learning
  - Conditions of Learning
  - Leadership & Planning
- Advocate for funding, legislative and regulatory areas in need of relief/flexibility

# M&O Director Perspective

---

**Joel Munoz**  
Director of Maintenance & Operations  
Pixley Union School District

# Governor Newsom's Roadmap to Reopen Economy & Education

Governor Newsom announced a four point “Resilience Roadmap” that would allow the state to begin reopening lower risk sectors, such as retail, manufacturing, and public spaces.

- Stage 1: Safety and Preparedness
- Stage 2: Lower Risk Workplaces: Reopen schools and child care services
- Stages 3: Higher Risk Workplaces
- Stage 4: End of Stay At Home Order

# Outcomes...

- CASBO works to coordinate federal, state, and local guidance and partnership
- CASBO works to mitigate impact of ADA loss and push for alternative reporting system
- Create a roadmap to re-opening (small, rural, suburban, etc.) to allow for sharing of best practices

# CASBO Members Discussion

What support, guidance, and information do you need that CASBO can assist in seeking clarity?
